# DISCLAIMER

**IMPORTANT:** You must read the following before continuing. The following applies to this document, the oral presentation of the information in this document by ROS AGRO PLC (the “**Company**”) or any person on behalf of the Company, and any question-and-answer session that follows the oral presentation (collectively, the “**Information**”). In accessing the Information, you agree to be bound by the following terms and conditions.

The Information is not intended for potential investors and does not constitute or form part of, and should not be construed as an offer or the solicitation of an offer to subscribe for or purchase securities of the Company, and nothing contained therein shall form the basis of or be relied on in connection with any contract or commitment whatsoever.

The Information has been prepared by the Company, and no other party accepts any responsibility whatsoever, or makes any representation or warranty, express or implied, for the contents of the Information, including its accuracy, completeness or verification or for any other statement made or purported to be made in connection with the Company and nothing in this document or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future.

The Information contains forward-looking statements. All statements other than statements of historical fact included in the Information are forward-looking statements. Forward-looking statements give the Company’s current expectations and projections relating to its financial condition, results of operations, plans, objectives, future performance and business. These statements may include, without limitation, any statements preceded by, followed by or including words such as “target,” “believe,” “expect,” “aim,” “intend,” “may,” “anticipate,” “estimate,” “plan,” “project,” “will,” “can have,” “likely,” “should,” “would,” “could” and other words and terms of similar meaning or the negative thereof. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the Company’s control that could cause the Company’s actual results, performance or achievements to be materially different from the expected results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which it will operate in the future.

No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the Information or the opinions contained therein. The Information has not been independently verified and will not be updated. The Information, including but not limited to forward-looking statements, applies only as of the date of this document and is not intended to give any assurances as to future results. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to the Information, including any financial data or forward-looking statements, and will not publicly release any revisions it may make to the Information that may result from any change in the Company’s expectations, any change in events, conditions or circumstances on which these forward-looking statements are based, or other events or circumstances arising after the date of this document. Market data used in the Information not attributed to a specific source are estimates of the Company and have not been independently verified.

The Information is not intended for publication or distribution, directly or indirectly, in or into the United States or to any U.S. person (as defined in Regulation S under the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Information is provided for information purposes only and is not, and must not be viewed as, an offer to buy, or solicitation of an offer to sell, securities in the United States or in any other jurisdiction. The Company has not registered, and does not intend to register, any part of the offering in the United States or to conduct a public offering of any securities in the United States, and securities may not be offered or sold within the United States without registration except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Neither the Information nor any part or copy of it may be taken or transmitted into the United States, its territories or possessions, or distributed, directly or indirectly, in the United States or its territories or possessions. Any failure to comply with this restriction may constitute a violation of United States securities laws.
